## \$300 REWARD.

W. G. BROWNLAW, Governor of the State of Tennessee, To all who shall see:

THREE PLEASURES—GREETING:

WHEREAS, IT HAS BEEN MADE KNOWN to me that a certain Elias Wells and John Wells, charged with having committed a foul and atrocious murder on the 22d day of January 1867, upon the body of Thomas Denney, late of our county of Hamilton, has fled from Justice and is now running at large;

Now, therefore, I, W. G. Brownlaw, Governor as aforesaid by virtue of the power and authority in me vested, do hereby offer a reward of FIVE HUNDRED DOLLARS, Two hundred and Fifty dollars for the arrest of either of them, to any person or persons who may apprehend the said Elias Wells and John Wells and deliver them to the Sheriff or Jailer of our county of Hamilton, in order that justice in that behalf, may be had and executed.

Descreasement.—The said Elias Wells is about 26 years of age, six feet four inches high, stout built, light blue eyes, a large ill-shaped mouth, much inclined to smile when spoken to; is given to general dissipations, when he is extremely reckless and overbearing. The said John Wells is about 23 or 24 years of age, five feet eight or nine inches high; stout built, blue eyes and complexion of deepest cast. They have relations in North Eastern Georgia, North Carolina, and Greene county, Tenn., and friends in Seagoville Valley.

In testimony whereof, I have hereunto set my hand and caused the Great Seal of the State to be affixed at Nashville, on the 30th day of January, 1867. By the Governor.

W. G. BROWNLAW,

A. J. PETCHER, Secy of State.

## Ayer's CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system damaged, and your feelings unwell? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be checked by the use of some specific medicine. Take Ayer's Pills, and cleanse out the diseased humors—partly the blood, partly the bowels—and move on unobstructed in health again. They stimulate the system into vigorous activity, and give it strength to resist the disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and pain. Take Ayer's Pills, and we have now completed our arrangements for having constantly in store a very large stock of

Drugs and Chemicals, Patent Medicines, Physicians' Pocket Cases, Trunks and Suitcases, Surgical Instruments, Dye Stuffs, Paints, Oils and Dyes, Tanner's Oil and Lampblack, Window Glass and Hollow Ware, Toilet Articles and Perfumery, Wines, Liquors & Cigars.
